

# GIVING TUESDAY

Facebook is matching \$7 million in donations on GivingTuesday, Dec 1, 2020! That's tomorrow, starting at 5am PST.

With your support, we hope to raise \$8,000 for middle and high school science programs. MDUSD Education Foundation provides quality STEAM opportunities for all students of the Mt. Diablo Unified School district, regardless of zip code.

Here's how you can join us:

1. Donate directly via [Facebook](#) - they charge no processing fees, plus [Earn&Learn](#) is matching dollar for dollar until we reach \$2000, and there's a chance Facebook could match early donations too.
2. Help us get the word out on [Facebook](#), [Twitter](#), [instagram](#) and [LinkedIn](#) by sharing, commenting, and liking the MDEDF video & posts
3. On #GivingTuesday, share thoughts & photos on your social platforms about what bringing interactive science to all students means to you. Include hashtags #MDEDF #GivingTuesday and a link to the [Facebook fundraiser](#) and/or [MDEDF website](#)

Not on Facebook? You can still help our cause by donation at <https://www.mdedf.org/donate>

#GivingTuesday, which follows Black Friday and Cyber Monday, is a day designated to promote generosity and giving. Over the past seven years, it has grown into a global movement that inspires hundreds of millions of people to give, collaborate and celebrate generosity. Think globally, act locally by supporting the students of our community.

#### About Earn & Learn:

- California's infrastructure for launching, scaling and sustaining agile work-based learning programs.
- Partner with schools, employers and communities to effectively scale work-based learning experiences for all learners. - Creating a movement of employers, educators and learners dedicated to building a more diverse and inclusive workforce.
- We believe that every learner should have the opportunity to explore the world of work and achieve their fullest potential.
