

About Us

The MDUSD EDUCATION FOUNDATION is a volunteer-led, nonprofit 501c3 organization established in 2017.

Our goal is to increase support for our public schools by engaging the entire MDUSD community, including business, parents, students, staff and the general public.

Our Story

We are a group of parents, teachers, staff, business and community members who have come together to ensure that **every** child in our district has access to quality public education, regardless of zip code. We believe that all children are **"our children."** Current state funding of public schools is not adequate to prepare all students for a global economy. We strive to make up the difference.

Imagine if... every elementary school student had access to enriching art, science, and robotics; every middle school student learned a second language; and every high school student could take all of the classes he/she needs, from AP Computer Science to Construction Management.

Mission

To promote excellence in the educational experience of students who attend schools governed or authorized by the Mt. Diablo Unified School District (MDUSD).

Objectives:

- Sponsor educational opportunities that foster a culture of excellence and inclusion in all MDUSD schools.
- Provide funds and resources for K-12 educational activities including STEAM (science, technology, engineering, arts and math).
- Collaborate with businesses and/or trades for alternative educational or career technical training of students.

What will my donation pay for?

Our plan is to harness local talent to enhance learning across multiple schools, sharing best practices and resources efficiently and effectively. As funds are raised, we plan to enrich student opportunities at every elementary, middle and high school. Thanks to a generous initial donation, we began in spring 2018 to fund arts opportunities for our elementary schools.

Join Us!

- **Volunteer on a committee: Fundraising or Programs**
- **Become a business sponsor**
- **Donate any amount**
